**Current report No:** 10/2025

**Prepared on:** 2025-02-28

**Issuer's abbreviated name:** TORPOL S.A.

**Subject:** Selection of the offer submitted by the Issuer as the most advantageous in a procurement procedure organized by PKP Polskie Linie Kolejowe S.A.

**Legal Grounds:**

Article 17(1) of MAR – Confidential Information

**Contents of the Report:**

The Management Board of TORPOL S.A. [Issuer, Company] informs that on February 28, 2025 the Company received information from PKP Polskie Linie Kolejowe S.A. [Employer] that the Company's offer submitted within the framework of the open tender under the name: Performance of construction works within the task entitled: "Extension of railroad infrastructure of railroad line no. 406 and construction of railroad junction/siding 'Police Port' together with necessary technical infrastructure as part of the construction of railroad line no. 437 to Police Sea Port, implemented within the framework of the project entitled: 'Establishment of railroad access to Police Sea Port'", has been selected as the most advantageous.

The criterion for evaluation of bids submitted under the above-mentioned tender is the gross price [weight of 100%].

The price of the offer submitted by the Issuer as part of the tender is approximately PLN 201,588,109.17 million gross [i.e. approximately PLN 163,892,771.68 million net].

The completion date of the Project was set at 31 months from the Commencement Date.

If there are no appeals from the other participants in the tender proceedings as to the selection of the Issuer's offer within the period provided by law, an agreement will be concluded. The Issuer will announce the conclusion of a relevant agreement following the above in a separate current report.
